Projects

WORLD ECONOMIC INDICATOR | LINK
(Microsoft Excel , Powerpoint Presentation)
- **Led comprehensive analysis of global economic indicators,** including GDP, inflation, and trade balances, unearthing correlations and trends crucial for informed decision-making by businesses and policymakers.
- **Contributed to a research project on world economic indicators**, extracting insights through meticulous data analysis and generating actionable reports to guide strategic planning and market understanding.

STAYCATIN.COM | ____
(Tableau)
- As a Business Analyst at StayCatin.com , I played a pivotal role in harnessing data to drive strategic decisions for the company. I was tasked with the creation of a dashboard to empower business management with actionable insights. This data encapsulated property details, customer reviews, and pricing dynamics over time.
- I crafted a storyboard that condensed these insights into a compelling narrative, aiding the company in making informed decisions.
